

Your tax refund can **MAKE HISTORY**

Donate a portion to the Ohio Historical Society and support Ohio History.

NOW! For the first time, YOU can help make history with your state income tax refund.

Designate a portion of your refund to the Ohio Historical Society. The Society will use this tax check-off revenue to fund local history projects statewide through a new competitive matching grants program. Communities across Ohio will benefit!

Tax time is a great time to support Ohio history!

Now through April 15, or when you file your individual state income taxes, look for this new option to contribute on Ohio's 2011 1040 and 1040EZ state forms (not federal income tax forms). Or, be sure to let your tax preparer know that you are interested in donating. Any amount will help make an important difference for local history initiatives across Ohio.
